Dear Parents,

In compliance with the requirements of the No Child Left Behind statute, the South Point Local School District inform parents that you may request information about the professional qualifications of your child's teacher(s).

The following information may be requested:

- 1) whether the teacher has met Ohio requirements for certification for the grade level and subject areas in which the teacher provides instruction;
- 2) whether the teacher is teaching under a temporary or other provisional status through which Ohio qualifications or certification criteria have been waived;
- 3) the college major and any graduate certification or degree held by the teacher;
- 4) whether the student is provided services by paraprofessional, and if so, their qualifications.

If you wish to request information concerning your child's teacher's qualification, please contact your child's building principal.

Sincerely,

Mark Christian, Superintendent
